(10 on-site days w/ available off-site support)

CONTENT

PROCESS

Overview and Pre-planning with Leadership

1 day with the leadership team and partnership facilitator to clarify the improvement process and expectations, describe the design process, and identify a cross-functional design team (parents, business/community members, and district/school staff)

Concept Statement Development

1 day with design team to develop a concept statement (activating, restraining and reconciling forces) to guide strategy action planning

Strategy Identification and Action Plan Development

1 day with design team to identify high impact strategies based on concept statement

1 day to work with leadership and partnership facilitator to identify strategy action plan teams and develop a calendar for plan completion

Strategy Action Plan Development Support

2, one-day sessions to support partnership facilitator and strategy action teams in action plan development and presentation

Plan Presentation, Review, Approval, Communication

1 day to work with leadership team and partnership facilitator to share concept statement and action plans, identify implementation managers, and determine communication plan

Plan Implementation Pre-planning

2, one-day sessions with partnership facilitator and implementation managers to launch implementation, establish timelines, conduct interim progress reviews, and develop annual evaluation reports

Plan Review and Update, Process Evaluation

1 day with leadership team, partnership facilitator, and implementation managers to review strategy action plan progress, identify next improvement steps, and plan appreciation celebration
